Clothes and fashion II

- I. Work in pairs. Answer following <u>questions</u>.
 - 1. What is important for you when buying clothes?
 - 2. Is fashion important for you? Why?
 - 3. Are people and mainly teenagers victims of fashion? Give examples.
 - 4. What do you think of thin models? Can we blame anorexia on the fashion business? Can you add some examples from the press?
 - 5. Can you guess your classmates character or temperament by their clothes?
 - 6. What or who influences the fashion? (Music, sport, famous people.......) Give examples.
 - 7. Has your style changed over the years?
- II. <u>A fashion show</u>. Each of you is a model and each of you is a fashion designer. Student A comes to a catwalk and keeps walking. Student B imagines the clothes student A is wearing are his/her design and describes the clothes, material, convenience and tries to do their best to convince the audience their design is the best. You may use following phrases:

My model is wearing(materials, parts of clothing, accessories, It's best to wear.....(when, where)

Pay attention to....., because......
