4. Šternberk – Read basic information about the town. Underline words that you do not know and look them up in a dictionary and write them below as a list of vocabulary to learn:

Šternberk is a picturesque town surrounded by a wonderful landscape, located 15 km north of Olomouc. It is to be found at the foot of the Nízký Jeseník mountains. It was originally built to protect a travel route that led from Olomouc to Poland.

Since the 13th century, it has been dominated by a castle which was rebuilt in Gothic and Renaissance styles. The walls of the castle chapel are decorated with a remarkable collection mostly by Dutch masters. In the castle, people may also admire a rare Dutch stoves, or priceless Gothic Madonna of Šternberk. A pristine Classicist Church of Vigin Mary Annunciation is to be seen right opposite the castle. Church is connected with a large area of the Augustinian cloister which is also open to public and all appointed visits are accompanied by church music.

Close to a renovated town square there is Exposition of Time Gallery to be visited. It holds the largest collection of clocks of various shapes, designs, makes and extraordinary functions. Some of the displays date as far as 4000 years back. The exhibits include sundials, water and oil clock, sand-glasses, mechanical, electric as well as electronic clocks.

Besides the historical core of the town, tourist come to watch a famous race track Ecce Homo, known for uphill championships and vintage cars.

5. Imagine that your foreign friend wants to come for 3 days to visit Šternberk. Make a plan for him suggesting places to see and things to do in the town:
